

Holiday Message from Mayor Wendy Wald

If you want to experience a Christmas Hallmark Moment, take an evening drive down Main Street Grimshaw. Simply beautiful. Reflecting on 2023, the word that best describes this year would be grateful—the generous donation from a resident who created the Splash Park. Thank you; it could not have happened without you.

There will be laughter and smiling from that park for years to come. We have so many remarkable residents living in our Community. The many volunteers that kept our events and activities a success. From the food bank, our Legion, our Churches, North Peace Stampede Association, Lac Cardinal Performing Arts, our ambitious Chamber of Commerce, Pond Hockey, The Resource Center for Suicide Prevention, Hockey and Figure Skating Clubs, moms & dads at the schools and simply everyone giving to the Community is what makes the spirit of Community. Thank you, everyone and all. I am genuinely grateful to our Fire Department, R.C.M.P and Crime Watch, who work hard to keep our Community safe. Congratulations to our Health Care family, who were awarded the Rhapsody Award this year for their outstanding service at our hospital emergency room. Truly amazing people looking after our Community. What a blessing! Hats off to the Harvest Moon Committee! That was the best! We all can't wait till next year. The Christmas Market is one of a kind. What a great market. The Festival of Trees is another annual event hosted by our fabulous library, or the Old Fashioned Christmas at Lac Cardinal Museum. So many companies and businesses, great neighbours and creative residents work together to unite our community through these outstanding events. Congratulations to all the award winners at the Chamber of Commerce Christmas & Awards Gala. I am grateful for all the generosity from our Business Community. I want to acknowledge the dedication and commitment of the Town of Grimshaw staff and how lucky we are to have them in service to us. From the cemetery work, bylaw, new paving, our remarkable multiplex, fitness center, snow removal, street cleaning, great garbage and recycling service, the installation of fibre, and remember the best drinking water. The administration and staff make that happen in daily operations and planning. I am very grateful for all their hard work. I am also thankful for the government funding that assists our town with some of these projects. Welcome to all the new residents and visitors who joined us in our celebrations this year. It is just wonderful living in Northern Alberta in a peaceful little town we call home.

Wendy Wald, Mayor
