Water & Sewer Manager Report January/2023

Environment Water Reports

Bacterial Report – Two samples are taken once a week and sent to the provincial lab
 All water samples were tested for Total coliforms and E. coli Both were absent in the Towns system.

Chlorine Report – Water is tested for total and free chlorine daily

• Chlorine has met all Alberta Environment Standards.

Contact Time Calculations Report – The raw water enters the treatment plant – it is treated – the water leaves the plant. This time is called retention time. It is calculated daily and must meet Alberta Environments minimum requirement.

• All retention time met the Alberta environment requirements.

Well Readings - Once a month a well reading is taken for water levels and pressure reading in the raw water line. Water consumption is monitored.

- · Well readings-maintained levels for the month.
- Water consumption met Alberta Environment Regulations. We used 21008 m3 of water.

Water Quality Complaints – no complaints

Monthly Highlights

Dealing with AB environment with Berwyn's noncompliance issues which have taken quite a bit of time, but I think we have them pretty much cleared up. I'm doing year end for both Grimshaw and Berwyn as well as month end for the Town, MD, and Village so its mostly paperwork and Budget.

Thanks Derrel

Satellite Office - Resource Center for Suicide Prevention

Good afternoon

I am writing to council today with reference to the above mentioned, which was presented to Council in January. Please accept this letter as our official request to utilize the old Town council office for our Satellite Office. We would be extremely grateful to be able to utilize this space as Councils "donation in kind" to bringing this much needed service to the North Peace Region. If you would kindly discuss and decide upon this request, and provide your decision at your earliest convenience, it would be greatly appreciated.

Thank you, Casey Szmata

Concert Event Proposal - Grimshaw

Hey Brian,

It was great seeing ya again even if only via zoom conference. Paul and I really appreciated your time.

As per our conversation today, we propose the following for a potential concert event late April.

Regular rate for building one day \$1,000 + \$500 for stage. Mulitplex to assemble stage and floor plan the evening before event day.

The local service group, who would run profitable bar, to provide all pro servers, security, 8 - 10 loaders to the load in approximately 4 hours and 6-8 for the load out approximately 1. 1/2 hours.

Service group to honor our VIP drink tickets at \$2.50 per drink or cost. (approximately 340 drinks) This however creates strong bar sales as one usually leads to two - three - four- etc.

Same service group to conduct clean up of venue, no cost to promoter.

Please call with any additional questions.

Regards,

Member Municipalities,

Re: 2023 Requisition - North Peace Housing Foundation

The 2023 Municipal Requisition Summary was approved at the November 16, 2022, Board of Directors' meeting, at which time the requisition was set at \$3,436,400.00, an increase of 10%.

Budget projections show that the Foundation requires a 10%, or \$312,400.00 increase in the requisition to cover the inflationary costs of goods and materials, and other cost pressures including utilities, food and groceries, reduced revenue in our facilities as a result of the pandemic, and the winding down of provincial funding to cover the cost of COVID related expenses and increased vacancies.

In the event surplus funds are realized, they will be put into a reserve fund only with the prior approval of the requisitioned municipalities, as per section 23.1(3) of the Management Body Operation and Administration Regulation (MBOAR).

In accordance with Ministerial Order H:062/95 and the MBOAR, this requisition is shared amongst the regional tax base and collected by member municipalities in a manner similar to the Alberta Education Property Tax.

Please find enclosed the 2023 requisition summary sheet for the North Peace Housing Foundation. The requisition summary provides calculations based on a municipality's equalized assessment as a percentage of the total equalized assessment for all municipalities. It also provides the payment schedule for your particular jurisdiction.

Your municipality's role in collecting this requisition on our behalf is very much appreciated.

The first quarter levy is due March 31, 2023.

Sincerely,

Tammy Menssa Executive Director

RE:

Grimshaw Emergency Department extension to change in hours of service to March 31,

2023

Alberta Health Services (AHS) has extended the temporary change in hours of service at Grimshaw/Berwyn and District Community Health Centre Emergency Department (ED) due to a lack of registered nursing staff and an inability to secure temporary (locum) coverage.

Between Jan. 31 and March 31, 2023, the Emergency Department will remain open from 9 a.m. to 9 p.m. and closed overnight from 9 p.m. to 9 a.m. This will allow existing staff to provide consistent service for 12 hours each day, during the times when the majority of emergency department and outpatient visits occur.

This is a temporary measure and AHS is working hard to ensure residents continue to have access to the care they need during this time.

Patients are asked to call 911 if they have a medical emergency during this time.

EMS will be re-routed to alternate healthcare sites to ensure residents continue to have access to the emergency services they need.

Healthcare facilities in surrounding communities include the Peace River Community Health Centre (25 km), Fairview Health Complex (58 km), Manning Community Health Centre (83 km), the Sacred Heart Community Health Centre in McLennan (100 km), or the Central Peace Health Complex in Spirit River (112 km).

For non-emergency health-related questions, residents are reminded to call Health Link at 811, which is available on a 24/7 basis.

We are thankful for the support of surrounding healthcare centres and medical staff and would like to thank the community for their patience and understanding during this time.

MESSAGES TO SHARE ON SOCIAL MEDIA: Please feel free to share these through your social media accounts if you wish. You are also very welcome to share or retweet messages from AHS social media platforms.

The Emergency Department at the Grimshaw/Berwyn & District Health Centre will continue to temporarily be closed overnight from 9 pm to 9 am from Jan. 31 to March 31, 2023
