Dear Friends of Grimshaw Public & Holy Family Catholic Schools;

RE: REQUEST FOR FINANCIAL SUPPORT
Mile Zero Playground Enhancement Project

As you are aware the Town of Grimshaw in partnership with the Peace River School Division and Holy Family Catholic Regional Division are constructing two new schools attached to the Mile Zero Regional Multiplex. Alberta Education and Infrastructure unfortunately do not fund school playgrounds as part of the new construction. The Mile Zero Playground Society (a group of parents) has been formed to fundraise and construct a brand new \$300,000.00 dollar playground that can accommodate both schools on site by September, 2017.

We are reaching out to our community and area residents for their support of this important project, which will benefit families from all around the region, who are both attending school and visiting our community.

If you are able to financially assist, we would be very appreciative. Any and all donations received will be acknowledged in our monthly school newsletters.

Cheques can be written out to: Mile Zero Playground Society and any financial donations may be dropped off at Front Desk at the Mile Zero Regional Multiplex. Receipts will be issued for all donations.

Please help us build this playground – your support is needed!

Sincerely;

Jocelyn Winder
President,
Mile Zero Playground Society (780) 332-4576
