Sample Site Plan Sketch

On the Site Plan below, please indicate (where applicable):

- | | | |
|---|--|--|
| 1. North arrow, legal description, address, property line locations | 5. Fencing/gate – type and height | 8. Lighting, if any |
| 2. Building setbacks and area | 6. Garbage enclosure, where required | 9. Parking stalls/driveways indicating stall width, length and aisle width |
| 3. All easements (i.e. utility rights-of-way) | 7. Roads, sidewalks and pathways abutting property | 10. Graveled areas |
| 4. Landscaping including area, size and type | | |

The diagram is a site plan sketch on a grid background. It shows a rectangular lot divided into a 'Rear Lot' at the top and a 'Front Lot' at the bottom. A 'DRIVEWAY' is shown at the top of the Rear Lot, leading to an 'ACCESSORY STRUCTURE'. The 'ACCESSORY STRUCTURE' has dimensions for 'Width' and 'Depth' in both meters and feet. A 'Fence Material Height' is indicated on the left side of the Rear Lot. A 'Rear Yard Setback' is shown between the accessory structure and the rear boundary. The 'PRINCIPAL BUILDING' is located in the Front Lot, with dimensions for 'Width' and 'Depth' in both meters and feet. 'Side Yard Setback' is indicated on both sides of the principal building. A 'Front Yard Setback' is shown between the principal building and the front boundary. A north arrow is located at the bottom right corner of the grid.
