Snow removal information for residents

Note that ice must also be chipped away, and a salt/sand mixture can be obtained from the Town of Grimshaw Public Works Shop (in a blue bin). Be sure to bring your own pail and note that the provided sand/salt mixture is only to be used for public sidewalks, not for personal use on driveways etc. If you'd like to lend a hand and shovel snow for seniors, please see the information below. Thank you in advance for your cooperation in keeping our sidewalks safe and clean this winter.

Throughout the winter - nominate your Snow Angel, if you have been helped.
