

MESSAGE FROM MAYOR WALD

The Town of Grimshaw is **CALLING FOR YOU!** As Mayor of Grimshaw, I am reaching out to our community with both gratitude and anticipation. Our town is built on the dedication, vision, and care of those who step forward to serve, and today, I invite you to consider joining that tradition. We are currently seeking

applications for Town Councillor positions. This is a unique opportunity to play an active role in shaping the future of our community, strengthening the foundations laid by those before us, and ensuring that Grimshaw continues to be a place where families thrive, businesses grow, and neighbors support one another. There are no dull moments. It is a continuous roller coaster of learning, sharing, negotiating and celebrating. Serving on Council is not only a responsibility—it is an honor. It means lending your voice, sharing your skills and wisdom, and your passion to represent the people of our town with integrity and vision. Together, we can face challenges, embrace opportunities, and continue building a community we are proud to call home. The home stretch for this Council term is now approaching. Election Time is near. I advise you to give it a try. Your community needs you. Should you have any questions please talk to a councillor or administration. Learn more about the municipal elections and access the required paperwork for those interested in putting their name forward (submission deadline: September 22) at grimshaw.ca/elections.
