

Welcome to our newly acclaimed Town Councilors

The Town of Grimshaw is pleased to announce that two nomination packages were received for the two vacant councilor positions. As a result, Lynn Florence and Bob Regal have been acclaimed to serve as councilors for the Town of Grimshaw. Bob Regal, with over 20 years of municipal council experience in Grimshaw, brings extensive knowledge and expertise in local

governance. Having lived in Grimshaw for 40 years, Bob has a deep connection to the community and a thorough understanding of its needs and opportunities. Lynn Florence, a recent resident of Grimshaw, offers a fresh perspective to the Council. With her background as the Economic Development Officer for Northern Sunrise County and Director of Smoky River FCSS, Lynn brings an understanding of community needs and development. Bob and Lynn will be officially sworn in on August 28, 2024, during the Town of Grimshaw Council Meeting. They will each serve a one-year term, leading up to the municipal elections in 2025. We extend our sincere thanks to those who inquired about serving on Town Council, and to Bob and Lynn for putting their names forward and for their commitment to our community. We look forward to their contributions in the coming year.

DID YOU KNOW?

In June, the Town used 18,370 cubic meters of water. Since one cubic meter equals 1,000 litres, this amount of water is equivalent to 18,370,000 litres. For comparison, the average water consumption per person (during winter months) is about 5 cubic meters, or 5,000 litres per month.
