Seniors Snow Removal Assistance Program

Volunteers Are Needed!

Each winter, Grimshaw Community Services (FCSS) coordinates our Seniors Snow Removal Assistance Program, and we are currently seeking **volunteers** to help support this meaningful initiative.

This program is incredibly important to many seniors and individuals in our community who are physically unable to clear snow from their walkways or driveways. Without assistance, something as simple as getting to a medical appointment, picking up groceries, or visiting with friends can become difficult or even unsafe.

By volunteering, you are not just helping with snow removal – you are helping someone maintain their independence, safety, and connection to the community throughout the winter months.

Your time and support can make a significant difference in someone's daily life.

If you would like to volunteer, please call (780) 332-4005 ext.04

Grimshaw Transfer Station Fall Clean-Up Winners

The Grimshaw Transfer Station Fall Clean-Up, held in September, featured a gift card draw sponsored by the Town of Grimshaw and the MD of Peace No. 135.

Congratulations to our lucky winners, Alex Kuryliak, who generously donated his Johnny's Sausage gift card to the local Food Bank, and Paul Sunrise.

A big thank-you to everyone who took part in keeping our community clean and to our sponsors for their continued support!
