## Christmas Message from Mayor Messner

There are so many things that we should be proud of as a community as we celebrate the season, and I have always felt the Christmas spirit when celebrating the holidays in Grimshaw.

Many events help me get into the Christmas spirit, such as the Festival of Mini Trees, hosted by the library, and, of course, the Christmas parade. It always gives me shivers of joy when I get to see all the residents in the region along the sidewalk as I hand out candy canes, and it is truly important to me to give you all a candy cane!

Seeing all the creative workmanship that people have done for their floats also gives me incredible joy and pride in our community that cares about celebrating the season.

Our public works crew never ceases to disappoint, and I always feel like a kid again when I see that sleigh on the Kennedy Administration Building roof. I am so glad that the kids get to see it every day in the morning when they go to school. The joy is always continued throughout the winter with the beautiful display of lights lining Main Street, making it a place we can gather and celebrate together.

It's also amazing to see our community come together to help others have a wonderful Christmas. The collection of personal items, clothes, and food bank donations by many local groups to help those in need is always outstanding, and an important piece during the holidays.

We also have so many businesses in town doing an incredible job of providing items to help everyone meet their shopping and gift lists. So please, shop local first!

As your new Mayor for the next term, it brings me great joy to lead our community with a sleigh full of incredible councillors to dash through the snow with.

On behalf of council, we wish you a merry Christmas and happy holiday this season. We look forward to a great year ahead!

Sincerely,

*Mayor Messner*
